

31 January 1964

MEMORANDUM FOR THE RECORD

1. SUBJECT: PAR # ²¹⁹ unassigned, Contract [] Optical Printing STAT
VS Contact Printing
2. REFERENCES: a. [] Quarterly Report, [] Second STAT
Quarter, FY 64.
b. Conference at P&DS, 23 January 1964.
3. ACTION REQUIRED: Determine feasibility of including this research
in the [] program and provide initial objectives. STAT
4. ACTION TAKEN: Discussion for determining feasibility has been
arranged. The following general objectives are
presented as guidelines:
a. A comprehensive theoretical determination of
the maximum potential performance of each of
these systems should be made.
b. If optical printing can be shown to be com-
petitive from a theoretical standpoint, com-
ponents should be designed and breadboarded for
operational evaluation.
5. COPIES FURNISHED: [] STAT
